

2010 Little Heroes Golf Outing

810-304-1908

alma10er@yahoo.com

Dear Friends and Family-

We hope this letter finds you all thinking about the warm weather that is hopefully on its way! We also hope you're thinking about sunshine and golf and attending the 4th Annual Little Heroes Golf Outing! The outing is scheduled for June 19th, 2010 and will be played at Sugarbush Golf Club (www.sugarbushgolfclub.com) in Davison MI. We're hoping for another great turnout this year filled with golf, friends and fun! Hopefully the rain will stay away this year!

As many of you know, we started this golf outing to raise awareness about childhood leukemia after our daughter Avery was diagnosed with JMML (Juvenile Myelomonocytic Leukemia) in April of 2006. After a bone marrow transplant in October 2006, Avery is now 3 years, 4 months leukemia FREE and is living life like a 4 ½ year old should! Although Avery has beaten the odds against this horrible disease, some children aren't as fortunate as Avery has been. That is why we feel compelled to inform others about childhood leukemia and to help in the fight against this disease.

Last year we were fortunate enough to raise \$4500 for the Benefit 4 Kids organization. We were also able to donate money to the Bone Marrow Unit at Children's Hospital of Michigan where Avery is treated. To date we have raised over \$25,000 for our chosen charities. Being able to do this is very important to us because we have been very lucky to have a great support group and we feel that it is our turn to pay it forward.

Again this year the proceeds from the golf outing are going to be donated to the Benefit 4 Kids Organization. Benefit 4 Kids is a non-profit organization that grants outdoor wishes for children with life threatening and/or life limiting diseases. If you would like more information on B4K, please visit their website: www.benefit4kids.org.

Thank you all again for your continued support in our effort to fight childhood leukemia. We hope that this day is not only special to us, but special to all those involved. If you are unable to attend, we will accept donations, hole/cart sponsors or a simple thought or prayer for those children who are fighting the battle against childhood leukemia. Along with this letter, you will find a brochure detailing the golf outing. If you have any questions, please feel free to contact us by phone at 810-304-1908 or by email at alma10er@yahoo.com. Hope to see you on June 19th!

The Baszler Family
